Profiles with Purpose

She brings 13 years of professional experience in industrial construction, specializing in document control, project planning, contract management, and industrial safety.

After meeting her husband, Michael Matthews, in Venezuela, Maria moved to the United States 16 years ago, embracing a new season of life. She became a wife, mother, homeschool educator, homesteader, and beekeeper while dedicating herself to serving both her local and international communities. Through her church, mission work, children's ministries, homeschool mentoring, the creation of a dance with flags ministry, and the Kindle CREW 4-H Club in Wellsville, Maria has sought to share Christ's love in practical ways.

Her apiary has become more than a place to care for bees—it is a ministry where she teaches aspiring beekeepers the art of beekeeping while, as she likes to say, “talking Jesus.” For Maria, every opportunity is a chance to build relationships and point others to Christ.

Maria is deeply grateful for the support of her husband, Michael, who has been with her throughout every season of ministry. Together they are blessed by their son, Michael Elijah, who is almost 15 years old. He has faithfully served alongside his parents and has blessed our ministry through his volunteer work and his God-given musical talent, glorifying the Lord through his piano playing.

Maria's greatest desire is to honor the Lord through her service at Heartbeat. She is committed to advancing the ministry's mission, serving families with compassion, and witnessing lives flourish throughout the Valley—all for the glory of God.

Summer 2026

Community Spotlight
on local businesses
supporting LIFE!

This month, we are grateful to spotlight Walmart of Calcutta for their generous support of Heartbeat.

This year, Walmart has donated diapers, wipes, four new cribs, a car seat, a double stroller, a nursery rocker, and many other much-needed items.

Heartbeat also received a \$1,000 Spark Good Local Grant in April. Thank you, Walmart, for your continued generosity and partnership.

a new life  a new heartbeat

To all of our amazing Heartbeat Champions for LIFE -

You are the true Heartbeat superheroes — no capes required!

Your generosity isn't just filling shelves, it's filling hearts.

**You're helping moms choose hope,
helping babies thrive,
and reminding families they are not alone.**

We appreciate you all more than words can say!

Thank you to our Baby Boutique Team for the incredible care they put into sorting and organizing donations from YOU our Heartbeat family, including clothing, blankets, booties, diapers, wipes, and more.

Each item was prayed over and will soon bless a child in need.

Parenting can be challenging, but families do not have to face it alone!

At the Cornerstone Parent Center, moms & dads are paired with experienced mentors who understand those challenges and can offer guidance. As they work together, parents can earn resources to help provide for their growing families.

Be sure to stop by our NEW Facebook & Instagram pages — for all the latest updates!
