

Newest Updates on our Board of Directors

Heartbeat of Columbiana County is lead by a dedicated team of individuals working behind the scenes to oversee the efforts of the ministry and its staff. Without the leadership of our board of directors, much of what Heartbeat set out to do would not come to fruition. In addition to meeting monthly to discuss business operations, you will find these individuals filling in and being the feet on the ground at our annual fundraisers and working on-site where their skills lead them to serve. We have recently had several changes to our board. We are so thankful for their commitment to Heartbeat's mission and for selflessly giving of their time and talents, and we would like to take a moment to acknowledge them:

Pastor David Quillen - Chairman

Vicki Kerr - Vice Chairman

Caleb Graft - Treasurer

Sue Giambroni - *Secretary*

Mandi Warrick – Executive Board Member

Cindy Russo – Executive Board Member

Sara Butler – Executive Director
